Effective Lace Curtains.

Nothing furnishes a room quicker or gives a prettier finish than a pair of lace curtains. These snowy draperies are as essential to the makeup of an apartment as a collar to a street suit. It is not necessary to spend much for this charming finish. There are \$500 curtains in trade, and there are imitations of Irish point lace in good old Nottingham cotten for \$2 a pair that a great many rich people use and admire. A cheap curtain properly laundered is a thing of beauty. The worst thing that goes on the window of a small room is stuff drapery.
